

Helmet Show Entry Quick Reference

(We have encountered a lot of problems with confused judging sheets and coop layouts in large shows. Following a common standard will enable show secretaries to do a better job with our classes.)

In order to standardize entries in our shows, please fill out your entry forms in the following manner:

Variety (Breed)	Show Entry
Medium Face Crested	Helmet MFC
Medium Face Plainhead	Helmet MFP
Short Face Crested	Helmet SFC
Short Face Plainhead	Helmet SFP
Muffed (all)	Helmet Muffed

Note: Where possible group your entries by variety, then color, then class. This will make the show secretary's life easier.
