### President's Report

By Bob Bollinger

The show season is in full swing and I am enjoying it immensely! I am a bit tired as I just returned from my 4th show in 4 weeks. However as I take time to reflect I feel very satisfied. The shows I attended ranged from New York to Kentucky. We had 4 different AHA district meets with nearly 20 different exhibitors from 8 districts represented. Beyond the exhibitors, I counted at least 8 additional AHA members, or former members, who were either judging or in attendance at the judging area. I talked to several of the former members who expressed interested in getting back into the breed. I am very hopeful that we will see a resurgence in our membership and show numbers in the near future.

At the Big Apple Invitational we had a special treat with Steve Mitchell offering to judge. As most of you know, Steve is from Utah but he is currently living in New Jersey doing mission work for his church. Steve graciously offered to judge the event and everyone was thrilled to get a new set of eyes judging one of our East Coast meets. Thanks again Steve for all your great work!!!

As I have watched the shows this year I have been very pleased with the consistency of our judging. I have seen show winners from previous years continue to show and place well with different judges. I have also seen birds consistently win events that are hundreds of miles apart with judges from very different areas. I think a great example of this is Mike Crawford's PH blue young cock that won the NYBS. Two weeks later the same bird won the Big Apple which was an all age show. The most gratifying part of this was the fact that the bird was picked by two different judges who live 2000 miles apart and collectively have nearly 100 years of tenure in the club. We need to keep up this great work. Focusing on consistency and rigid adherence to the standard helps at the shows and helps the AHA.

With many new people expressing interest and several of our former members considering retuning to helmets, I would like to challenge all of our members to have a personal goal of getting at least one additional person to join the AHA. Then, as people join the club, let's all work together to help them be successful. Help could look like sharing stock birds, mentoring, sharing breeding tips or even giving them pointers on show preparation. I think we are well poised to recruit more people back into the AHA ranks and with a little work we can retain them!

## **From the Editor**

This report contains a lot of show results. Thanks to Bob Bollinger for sending them to me. For the next bulletin it would be great if Directors send me their District Reports. Next issue will be quite bare without them. They need to be sent to me by mid January so I can issue the last bulletin of this year by the end of January. Could members also email me some pictures. I took most pictures in this issue from the My Family site. There was no picture there of the Eastern Sectional MFP Champ so I had to substitute with the NYBS winner. Any picture from any show is welcome but I especially need some of the winners and reserves at the upcoming Grand National. If I can get some good pictures I will put in color photos of MFC and MFP champs and possibly the reserve winners also if 4 pictures on one page are an adequate size. These would be in the Jan/Feb 2010 issue. Members would also enjoy pictures of your loft or a special homemade setup/watering, feeding, nesting system etc. you have that works well.

### **Supporting the Small Loft**

By Paul McRae

A committee comprising Bob Bollinger, K. Mike LaCom and myself was formed to discuss promoting small loft breeders to show. Here's what we came up with. A certificate will be awarded at the Grand National for the Small Loft Champion Helmet. Elsewhere in this issue is a preliminary copy of the certificate. The certificate printed may not be exactly the same as the one shown here. It will be printed in color on high quality certificate paper. The committee decided that to qualify as a small loft breeder you must have 20 helmets or less and breed from 6 pairs or less. If you are a small loft owner and are showing at the Grand National let Bob Bollinger know when you get there that you qualify as a small loft owner. The small loft qualification numbers are not cast in stone. We could not objectively determine a good number like the bottom 30% of lofts because we don't know how many birds members have. Basically it was a guess, so the qualification could change if we discover that it is too low or high. This certificate program can be extended to any other show. If you are in charge of a show and would like a small loft certificate to award, contact Bob Bollinger. If you have any comments or improvement suggestions on the "Supporting the Small Loft" program please contact one of the three committee members.

### **NPA Standards Book – AHA Advertisement**

By Bob Bollinger

At the NYBS we discussed a request from the NPA for the AHA to place an ad in the new standards book that is currently being compiled. We did a quick roll call and found that we had a quorum of club officers present so we took a quick vote and authorized Chuck to place the ad ~\$100. In our discussion we noted that the AHA is an NPA affiliated club. Our treasury is "in the black" for this year and the ad would NOT result in negative numbers for the end of year. Moreover, we determined that the ad was the "right thing to do" to support the NPA and the hobby!

## Secretary's Report

By Charles Dwight

It seems like show season has just started and here it is half over already. From what I have heard, most of the shows have been very good.

The only show I have been able to get to was the National Young Bird Show in Louisville, KY. We had a very good show. Got to meet a lot of old friends and make some new ones.

Three of our regular exhibitors were unable to get there because of some problems that came up. We had some of our old members who have not shown for a few years show up just to visit. Some of our newer members came to show.

I should be receiving our 2010 bands any day now. They will be mailed on December 26<sup>th</sup>. I hope everyone has great holidays.

Chuck
