### President's Message

By Bob Bollinger

It is starting to get cold here in the northeast and I am now finding ice in my drinkers. So, earlier today I went out to the loft and set up my drinker heaters. This is not that unusual. However, the unusual part of this story is that I also banded a baby MFC at the same time. I am really feeling energized about helmets and I am not pleased with the number of babies I raised this past year. So, I have started to put a few pairs together to get some late / early hatches out to enhance my numbers. I know it is a rough time to raise babies but hopefully with a bit of care I can get some pairs rolling and be able to band some early birds in January.

I am really pleased by the way this year's show season is shaping up. We have had nice meets at Louisville, Western PA, and York PA. Our Western and Eastern Sectionals were well attended and I am looking forward to a great Central Sectional. I got an email from Bob Lien and he said that 77 birds were entered in Des Moines. This is GREAT! I am so pleased that Bob stepped up and coordinated the Central event at Des Moines. It has been a long time since we have had any point shows in the central part of the county and I expect this to be well worth the trip. I also want to compliment the guys who attended the Eastern Sectional. We encountered some logistical problems with this event and we found ourselves less than two weeks away from the event without entries and show details. The guys in the east stepped up to the challenge and started making phone calls and basically put together the show in about a week. Hats off to everyone for their effort and support of the club!!

I am also pleased to report that I am hearing a lot of discussion about our Master Breeder program. As I explained in the last bulletin, I have appointed a committee to review our program and determine if changes are required. I have heard numerous discussions at the NYBS, our sectionals, and people / committee members phoning one another. This is fabulous. I am very pleased that people are engaged and talking. I know that there are a lot of opinions out there and no matter what we ultimately decide I am convinced that the process was a success. Having members engage in this amount of discussion and seeing the amount of passion out there for the program is very reassuring. I look forward to the final recommendation.

## Secretary's Report

by Charles Dwight

Show season has started. Several shows here in the East have already happened with good support and some great birds.

The National Young Bird Show in Louisville, KY was one of the best shows that I have ever seen. The top 4 or 5 birds in several classes could have won most shows in any part of the country. Mike Crawford did an outstanding job judging the MFC birds.

It's time to get your bands ordered for 2011. If you want a certain series you need to get your order in soon. To reserve a certain series you need to pay for them when you order them.

Good luck in the shows

Chuck

### Please Band with AHA Bands

by Bob Bollinger

During the NYBS I was discussing our current treasury status with Chuck and he shared the fact that we still have bands 2010 left over. I also noticed at many of our recent shows that there were a number of birds there banded with generic NPA bands. I would like to encourage all of our members to band with AHA (of course they were issued by the NPA) bands. Band sales are the primary revenue generator for our club and when we have bands left over it really cuts into our treasury. Just send in your order with your membership and it's real easy.

I know that one of our esteemed Canadian members recently placed an order for 2011 AHA bands ... thanks! I suspect the reason I saw other bands was because folks ran out and had to order more bands. Here again, please send in those orders to the AHA. It would really help us. Also remember, if you do band with non-AHA bands you need to register your series with the secretary to get master breeder points.

Thanks for banding AHA.

# Proposal for Change American Helmet Association By-Laws

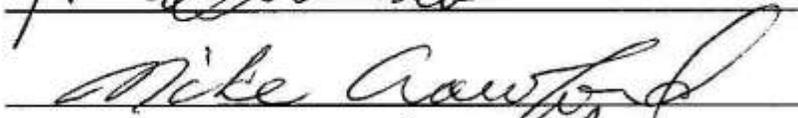

November 27, 2010

Committee:

Harold Strawniak

Mike Crawford

Victor Cline

Change the wording in the outstanding breeder of the year award rule to clarify the original intent of the 2004 revision. As worded, the award would almost exclusively be given to a MFC breeder as they routinely have the most total points. This proposal will change the wording to state the Outstanding Breeder of the Year will be awarded "by variety". This change will be retroactive to the 2008 show year. (Members may request recognition back to the 2005 show year on a case by case basis)

## Existing Wording

### **Section C. Awards Recognition:**

.....

2. *Outstanding Breeder of the Year:*  
*This annual award will be provided based solely upon the total number of AHA Master Breeder points that a member acquires with young birds in the preceeding year.*

## Proposed Wording:

### **Section C. Awards Recognition:**

.....

2. *Outstanding Breeder of the Year:*  
*This annual award will be provided based solely upon the total number of AHA Master Breeder points that a member acquires, by variety, with young birds in the preceeding year.*

# Treasurer's Report

**June-Oct 2010**

By Charles Dwight

## Income
