

Helmet Happenings

President's Report

By Jim Garus

Hello all Helmet enthusiast!

Our Helmets should be popping out their young by now. I put my feeders together 2 months ago and had great success even in poor weather. I put the Helmets together a couple of weeks ago in better weather and the dummies drop their eggs from the perches. Oh well, after 50+ years I still believe MFC Helmets are the best looking pigeon. I have 12 pair together and wishing for a good year of youngsters.

I have spoken to many of you and it seems that many of you are experiencing similar issues. New and old breeders hang in there as the results come show season are very rewarding. Not to mention life time friendships.

The AHA has a good show season lined up for this year. The district meet at the Pageant, at the Pomona Fair Grounds in Nov., and our Western Sectional in Puyallup, Wash. in early Dec. The Sectional could be a large Helmet show and usually the weather is not a factor. If you cannot attend but would like to show your birds we can help..let me know. I encourage you to send your best!

The National in Myrtle Beach is a great place to bring the family as I just returned from there after visiting one of our sons. Beautiful area! I personally know about the concerns of shipping our birds in a box. I sent 8 in a box to Amarillo and 7 were DOA. I have recently spoken with Johnnie de Carlo and he felt that was a rare occurrence. I will say I had not lost one bird in over 50 years of shipping.

In closing I encourage you to attend shows in your area and try to bring some good birds to sell. There are many new breeders desiring good breeding stock so let's help them out.

Take care... till next time
Jim

District 1 Report

by K. Mike LaCom

May 2018! I guess time does fly. The Pageant was 6 months ago! District 1 hosted another successful district show, auction and great time for AHA members. As always we had a good showing of MFC's but we also had one of our better showings of SFC's! After a long absence the 2018 Pageant will once again be at the Pomona Fair Grounds the weekend before Thanksgiving. For Jim Garus and myself this location is where it all began over 50 years ago! Rumor has it that this will be the location for the next National. If so, there will not be a Pageant in 2019. In addition membership will need to determine the site and future rotation for Western Sectionals.

The 2017 Pageant was well attend with 9 exhibitors. I wish to thank Vic Eshpeter for judging the MFPH, Jim Garus for judging the SFC and Brian McCormick for judging the MFC. I wonder the total number of years these three have in raising, showing and judging? Great job done by all!

Ziggy Kuna had the champion SFC, Leonard Patito the champion MFPH and K M LaCom had champion and reserve champion MFC.

Also deserving thanks in recent years at the Pageant are Steve Mitchell, Dennis Manning, Jim Garus and ALWAYS Hank Ebbelaar in our annual auction. The most recent with Jim Garus and Hank was another success. Bryan Arndt bought a couple and became District 1's newest member...welcome to the AHA!

Leonard has informed me that there are a FEW 2018 bands available and the 2019 have been ordered. In addition the club has \$2200 in the bank!

Thank you, Gary Romig, for the AHA Helmet rendering on the last page.

As for this year breeding it seems slow and frustrating. To me they prefer warm to hot weather, even by California standards. We shall see and hopefully also you at this years Pageant in Pomona!

District 2 Report

by Dennis Manning

All the District 2 breeders are mated up and underway. Sure hoping for a productive breeding season as we will hold the Western Sectional in our District this year. I would like to invite everyone in the AHA to join us for the Sectional, it is looking like it will be a big show. All the Western Canadian breeders I've talked with are planning on attending and I'm hoping the District 8 and 1 guys will join us as well. The show will be held in conjunction with the Northwest Winter Show in Puyallup Washington at the Puyallup County Fairgrounds. It will be held December 8th and 9th 2018. You can coop in on Friday afternoon. I'll get everyone the details, entry blank, etc. at a later time. The Puyallup Best Western is a good choice but there are other hotels in the area. I am happy to announce that thanks to Hank's hard work we have secured the services of Darrell Sebastian to judge MFC's and MFPH. Darrell judged the Sectional last year in District 9 and the results I have seen say he did a really good job for us. Pavel will judge the SF varieties. While Vic will do the muffs.

I hope you all can attend, this is the Western Sectional but that is not intended to exclude anyone in the whole AHA. If you cannot attend but want to send some birds let me know. Between the District 2 members we should be able to help. If you just want to take a trip to the NW this would be good timing. If you do not have my contact information: Cell is 503-842-0197...e mail is helmet1@enbarqmail.com ...mail address is 14595 Misty Drive, Cloverdale, OR. 97112

District 8 Report

by James Jensen, March 2018

On Feb 2 and 3 we enjoyed the annual show at Hurricane, Utah. I'm not sure how many years I have traveled to this show. In the 80's and 90's I took my teenage son, Curtis, with me. Now I have two nephews, my grandson Peter(14) and Todd (13) who make sure that I don't miss this show. There are certain traditions that we must observe to make it a successful show. First we have to stop in Beaver, Utah at the cheese factory for some fresh cheese curd. We must listen to a very old Bill Cosby tape. We have to find a buffet to visit for dinner Friday night. I am always amazed at the amount of food two teenager boys can consume. We had the same traditions with their Uncle Curtis when he was a teenager.

There were 23 MFC Helmets shown by four exhibitors: Steve Mitchell, Mike Gardner, Richard Bohman and James Jensen. I was amazed to see Richard there. He had hip replacement surgery just 10 days before the show. WOW! Mike Cobb served as our judge. He did an excellent job of explaining his reasoning for the choices he made. Mitchell and Jensen were close combatants at this show once again. Steve Mitchell won with a black OH#1131. James Jensen had reserve champion with a black OH#616 and second reserve with a black YH#714. As always we had an enjoyable time together showing some good birds and seeing old friends. It was fun to have a former helmet breeder and AHA bulletin editor Lynn Chamberlain spend some time with us. He is now the mayor of Toquerville, Utah. We have influential friends. We missed our friends from California. They got their fill of traveling on the trip to Amarillo. Hopefully they can make this show next year.

Before we knew it, the judging was done, five o'clock came and the birds were released. My grandson had won several items in the raffle and had made a significant dent in the donuts. It was time to head home. Another great show in the books.

Here in Utah we haven't had much of a winter until 10 days ago. The cold came just in time to do in the first babies of 2018. sounds like normal. Maybe the next round will be more successful.

Late April 2018

There is not much news from District 8. It seems everyone here is off to a slow start this year. In my area, we didn't get much of a winter until it was suppose to be Spring, then the cold hit and the babies got chilled. Personally I have had the highest infertility rate in my Helmets this year that I have ever experienced. It does NOT seem to be a problem in the other breeds I keep.

Well so much for the doom and gloom. Right now I have a good round of fertile eggs and the timing is matched with my feeders. Maybe I can make up for lost time. Good luck in your breeding pen.
